The screenshot shows the MEDLINE search interface. At the top, there are buttons for 'Search', 'Help', 'Browse', 'Dedup', and 'Clear'. Below these, there are input fields for 'DBs' (containing 'USPAT'), a checkbox for 'Pubs' (unchecked), and a 'Default operator' field (containing 'OR'). To the right of the 'Default operator' field is a checkbox for 'highlight all hit terms initially' (checked). Below these fields is a large text area containing the text 'destination adj endpoint'. At the bottom of the screen, there is a status bar with various icons and text, including 'MEDLINE', 'USPAT', 'OR', 'highlight all hit terms initially', and 'MEDLINE'.
